Cruz, is a documented gang member who has an adult criminal history that began at the age of 19 and includes convictions for child cruelty with possible injury/death, felon in possession of firearm, evading police with disregard of safety, carrying a concealed weapon, possession of marijuana for sale, under the influence of controlled substance, violation of post release community supervision . Cruz has served multiple state prison terms the longest a two (2) year term for child cruelty with possible injury/death. Cruz was released from state prison to the supervision of the Los Angeles County Probation Department on June 06, 2013. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in October 2013 after Cruz absconded from post release community supervision (PRCS). Cruz qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for child cruelty with possible injury/death is defined as non-serious and non-violent under the California penal code. His prior criminal history, status as an active gang member, and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
